Application Composting Toilet

Property Owner: _____

Address of composting toilet location: _____

Map: _____ Lot: _____

Property Owners Address if different from composting toilet location: _____

Property Owners Phone: _____

Per Town of Grafton ordinance, a composting toilet can be permitted, following the limits set forth below:

- No composting toilet will be allowed if the structure has running water
- Only one composting toilet per tax map\lot number
- Tax map\lot number must be a minimum of two acres in size. Lot sizes less than two acres are exempt if subdivided before the ordinance went into effect (Feb 2022)
- Composting bins shall be located, at a minimum of, 250 feet from any habitable structure.
- Composting bins shall not be located within 400 feet of any drinking water well.
- Composting bins shall not be located within 400 feet of any property line.
- Composting bins shall not be located closer than 400 feet from any open, surface waterway.
- There shall be a minimum of two but no more than four composting bins

Size and structure of composting bin layout:

- Composting bins shall be no less than 3 feet and no more then 4.5 feet in length, width, and height.
- All bins shall have screen installed across any openings to prevent flies from transferring contamination.
- All Bins must have a solid and removable cover to prevent rain water from spreading contamination.
- There must be a minimum of 2, but not more than 4, composting bins for each composting toilet.
